Food safety

Malaga, Spain – 25-28 November 2019

AG2 – Implementation of the EU rules and Guidelines

Group activity

**Identify good practices in each sector
(H&V), and those that may be applied in the
other sector**

AG2 – preparation

60 min 

1. Division of the groups between participants from the veterinary sector and participants from the human medicine sector

2. Read the Word document with examples

Part A

3. Answer the following questions:

- **Which measures have been taken at national level in your country to implement the guidelines of prudent use of antimicrobials in animals / humans?**
- **Are these national strategies to combat AMR developing and implementing in the frame of a National Plan?**
- **Do you like to share any other specific measures implemented in your country to promote the prudent use?**

AG2 – preparation

4. Present outcomes from the group and discuss in plenary

30 min 

- **To participants from Veterinary sector groups:**
 - Can the outcomes from previous Public Health sector working groups be applicable to the Veterinary sector? Why?
- **To participants from Public Health medicine sector groups:**
 - Can the outcomes from previous Veterinary sector working groups be applicable to the Public Health sector? Why?

Part B

5. Examples of MM.SS.
